1/12/2012 03:24:00 PM | Wolrd Of Warcraft This WoW Enchanting guide will show you the fastest and easiest way how to level your Enchanting skill up from 1 to 525. Updated for WoW patch 4.3 You will spend a lot of gold on this profession if you want to buy every materials from the Auction House. It depends on the realm economy, but can cost up to thousands of gold. Enchanting really goes well with Tailoring, if you level Tailoring and Enchanting at the same time, you can disenchant most of the cloths you make, but it's good with any other crafting/gathering profession. If you are low on gold, I recommend you to try this Gold Making Guide, it can help you to make loads of gold. If you are still leveling your character or you just started a new alt, I recommend you to use a leveling guide. You can level your character to Level 85 in 5 days with this Guide. Related Guides: Approximate Materials Required for 1-525: I don't recommend to buy everything before you get to that skill level where you need the materials. 1 x Copper Rod 125 x Strange Dust 1 x Lesser Magic Essence 1 x Silver Rod 12 x Greater Magic Essence 9 x Simple Wood 25 x Lesser Astral Essence 122 x Soul Dust 1 x Golden Rod 1 x Iridescent Pearl 2 x Greater Astral Essence 155 x Vision Dust 1 x Truesilver Rod 1 x Black Pearl 20 x Purple Lotus 2 x Greater Mystic Essence 25 x Lesser Nether Essence 15 x Lesser Eternal Essence 230 x Dream Dust 10 x Illusion Dust 1 x Arcanite Rod 8 x Greater Eternal Essence 8 x Large Brilliant Shard 1 x Fel Iron Rod 330 x Arcane Dust 14 x Greater Planar Essence 13 x Large Prismatic Shard 20 x Lesser Planar Essence 15 x Nightmare Vine 15 x Crystal Vial 1 x Primal Might 1 x Adamantite Rod 1 x Eternium Rod 1 x Titanium Rod 600 x Infinite Dust 29 x Greater Cosmic Essence 2 x Dream Shard 10 x Crystallized Water 450 x Hypnotic Dust - You will need a lot less if you choose recipes that requires Lesser Celestial Essence 25 x Lesser Celestial Essence 80 x Greater Celestial Essence 5 x [Elixir's of Impossible Accuracy] 8 x Heavenly Shard 1 x Elementium Rod 5 x Maelstrom Crystal Before you start this Enchanting guide, first lets see which items gives what, when you disenchant it. While you are here, you should also buy the next two recipe in the guide. Do not leave Outland until you bought them. Just click on the links below and see where they are. Due to their Racial Ability it allows them to gain ten free skill ups by converting a Large Prismatic Shard into three Small Prismatic Shards and back again. Only the conversion from three Small Prismatic Shards to one Large Prismatic Shard is effected by this. Therefore, you will only have the chance to gain skill ups half of the time (since the other half of the time you'll be converting back to three Small Prismatic Shards). It is a profession typically combined with Enchantment since it does not require any collection, and the objects that you make can well serve to disenchant you. Prepare your needle, sit by a fireplace, and start weaving the best patterns for all the wizards of Azeroth.
